

CHILDREN'S CODE OF CONDUCT

Respect

Treat other children and your leaders with respect. Don't fight or use rude language, always be as polite as you can.

Enjoy

Have fun! Enjoy time with your friends and leaders, make the most of it!

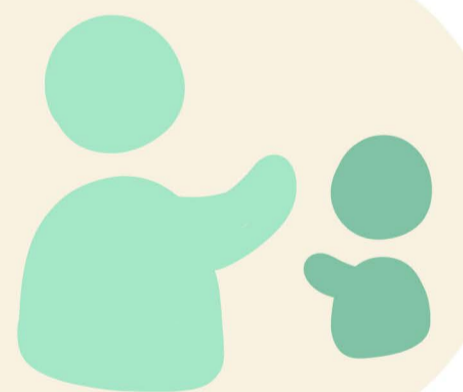

Include

No one likes to feel left out. Be friendly and include each other in what you do.

Tell

We should all feel comfortable and safe. It's important that we tell a leader if we need help, or we feel scared.

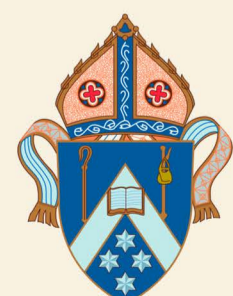

Safe

Let's work together to make a space where we play safely and feel safe!

We all have a right to feel safe
