Anglican Diocese of Melbourne Cash Fund
Notes to the financial statements
31 December 2021

Note 1. Significant accounting policies

Cash Fund (“the Fund”) is enabled by the *Anglican Trusts Corporations Act 1884* as the Fund operates as a common fund of the Anglican Diocese of Melbourne (“the Diocese”). The principal activity of the Fund is the management of funds invested on behalf of Anglican Dioceses, Agencies and Parishes.

The Fund is an unregistered managed investment scheme as defined by the *Corporations Act 2001*; however the Fund is exempt from regulatory requirements that might otherwise apply, as the Fund meets the criteria as a charitable institution.

New or amended Accounting Standards and Interpretations adopted

The Fund has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Basis of preparation

The Fund is not a reporting entity because in the opinion of the Archbishop and Registrar, there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, this special purpose financial report has been prepared for the purpose of complying with the Acts of Synod and must not be used for any other purpose. The Finance Committee, under the responsibility of the Diocesan Council has determined that the accounting policies adopted are appropriate.

The financial statements are prepared in accordance with the historical cost convention, except for certain assets which, as noted, are at fair value. Unless otherwise stated the accounting policies are consistent with those of the previous year.

Interest income

Interest income is recognised on a time proportion basis using the effective interest method.

Dividend and distribution income

Dividends and distributions are recognised as income when the right to payment is established.

Cash and cash equivalents

For the purpose of the Statement of Cash Flows, cash and cash equivalents includes cash on hand and other short-term, highly liquid Diocesan funds, which are readily convertible to known amounts of cash and are subject to an immaterial risk of changes in value.

Term deposits held with financial institutions are classified as cash and cash equivalents.

Receivables

Receivables are recognised initially at fair value and subsequently measured at amortised cost less any impairment allowance at the amount equal to the expected life time credit losses.

Payables

These amounts represent liabilities for goods and services provided to the Fund prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Financial Instruments

Recognition, initial measurement and derecognition

Financial assets and financial liabilities are recognised when the Fund becomes a party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Anglican Diocese of Melbourne Cash Fund
Notes to the financial statements
31 December 2021

Note 1. Significant accounting policies (continued)

Classification and subsequent measurement of financial assets

All financial assets are initially measured at fair value adjusted for transaction costs (where applicable).

For the purpose of subsequent measurement, financial assets other than those designated and effective as hedging instruments are classified into the following categories upon initial recognition:

- Amortised cost
- Fair value through profit or loss (FVPL)
- Equity instruments at fair value through other comprehensive income (FVOCI)

Classifications are determined by both:

- The entity's business model for managing the financial asset
- The contractual cash flow characteristics of the financial assets

Income relating to financial assets that are recognised in profit or loss are presented as interest income and distribution income.

Expenses relating to financial assets that are recognised in profit or loss are presented within finance costs or other financial items, except for impairment of trade receivables, which is presented within other expenses. There were no impairment of trade receivables recognised during the current and the previous financial year.

Subsequent measurement of financial assets

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The Fund's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments.

Impairment of Financial assets – Trade and other receivables

AASB 9's impairment requirements use more forward looking information to recognise expected credit losses - the 'expected credit losses (ECL) model'.

The Fund makes use of a simplified approach in accounting for trade and other receivables and records the loss allowance at the amount equal to the expected lifetime credit losses. In using this practical expedient, the Fund uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses using a provision matrix.

Classification and measurement of financial liabilities

The Fund's financial liabilities include trade and other payables.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Fund designated a financial liability at fair value through profit or loss. Subsequently, financial liabilities are measured at amortised cost using the effective interest method.

Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Anglican Diocese of Melbourne Cash Fund
Notes to the financial statements
31 December 2021

Note 1. Significant accounting policies (continued)

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Equity instruments issued by the Fund

Issued Units

In accordance with AASB 132 unitholders funds are classified as equity instruments and disclosed as such in the statement of financial position. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Entity are recognised at the net of proceeds of applications less the payments for redemptions.

Each issued unit's value (unit price) is determined based upon net assets and returns are dependent upon the profit/loss of the Fund. Each unit represents a right to an individual unit in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Management fees

The Diocesan management fee charged to the Fund was set by the Anglican Funds Committee at 0.3% of the net value of the funds under management. In addition to this, from 2012 onwards, the Fund will transfer any undistributed profits to Melbourne Anglican Trust Corporation as a management fee. The only other direct fee payable by the Fund is in relation to the asset consultant and this fee has been set at no more than 0.1% of the net value of funds under management. The management fee expense is reported on an accrual basis.

Income tax

The Fund is an income tax exempt charitable organisation under Subdivision 50-B of the Income Tax Assessment Act 1997.

Comparative figures

Comparative figures, where appropriate, are reclassified so as to enhance comparability with the figures presented in the current reporting period.

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Fund for the annual reporting period ended 31 December 2021. The Fund's assessment of the impact of these new or amended Accounting Standards and Interpretations, most relevant to the Fund, are set out below.

AASB 2020-2 Amendments to Australian Accounting Standards - Removal of Special Purpose Financial Statements for Certain For-Profit Private Sector Entities and AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities

These standards are applicable to annual reporting periods beginning on or after 1 July 2021. AASB 2020-2 will prohibit certain for-profit entities from preparing special purpose financial statements and AASB 1060 provides a new Tier 2 reporting framework with simplified disclosures that are based on the requirements of IFRS for SMEs.

The Fund is not a reporting entity because in the opinion of the Archbishop and Registrar, there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. As such, the issuance of this standard is not expected to have any impacts on the disclosure requirements in the financial statements.

Note 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances.

There are no critical accounting judgement, estimates and assumptions that are likely to affect the current or future financial years.

Anglican Diocese of Melbourne Cash Fund
Notes to the financial statements
31 December 2021

Note 3. Distributions

	2021	2020
	\$	\$
Distributions declared during the year	<u>156,556</u>	<u>644,213</u>

The Fund paid distributions during the current year in February, May, August and November. Distributions were determined with reference to the financial performance of the fund (excluding movements in the fair value of financial assets).

Unrealised and realised gains of this Fund which were not distributed are reflected in the unit price.

Note 4. Cash and cash equivalents

	2021	2020
	\$	\$
<i>Current assets</i>		
Cash at bank - A1+ rated	998,133	3,279,328
Cash at bank - A rated	6,025,522	-
Cash at bank - non rated	33,766	25,920
Term deposits - A1+ rated	-	11,000,000
Term deposits - A2 rated	2,500,000	7,000,000
Term deposits - A rated	10,000,000	7,500,000
Term deposits - non rated	6,500,000	10,000,000
	<u>26,057,421</u>	<u>38,805,248</u>

Term deposits held with financial institutions are classified as cash and cash equivalents as they are generally readily convertible to known amounts of cash and are subject to an immaterial risk of changes in value. These represent the investments of the Fund in accordance with the investment policy.

Note 5. Other receivables

Note 8. Reconciliation of surplus to net cash from operating activities

	2021	2020
	\$	\$
Surplus for the year	153,003	553,210
Change in operating assets and liabilities:		
Decrease in other receivables	207,660	445,625
Decrease in trade and other payables	<u>(19,648)</u>	<u>(3,984)</u>
Net cash from operating activities	<u><u>341,015</u></u>	<u><u>994,851</u></u>

Note 9. Contingencies & commitments

There were no contingencies or commitments as at 31 December 2021 (2020: nil).

Note 10. Events after the reporting period

No matter or circumstance has arisen since 31 December 2021 that has significantly affected, or may significantly affect the Fund's operations, the results of those operations, or the Fund's state of affairs in future financial years.

Note 11. Registered office details

The registered office of the Fund is:
209 Flinders Lane
Melbourne VIC 3000

**Anglican Diocese of Melbourne Cash Fund
Archbishop and Registrars' declaration
31 December 2021**

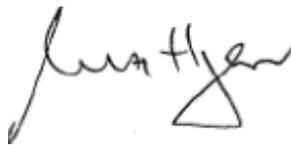

As stated in Note 1 to the financial statements, in our opinion, the Fund is not a reporting entity because there are no users dependent on general purpose financial reports. This is a special purpose financial report.

In our opinion the financial statements of the Fund present fairly, as required by the *Acts of Synod*, the financial position of the Fund as at 31 December 2021 and its performance for the year ended on that date in accordance with Accounting Standards and other mandatory financial reporting requirements in Australia to the extent described in Note 1 to the financial statements.

In our opinion, there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

The Most Reverend Dr Philip Freier
Archbishop of the Diocese of Melbourne

Malcolm Tadgell
Registrar

27 May 2022
Melbourne

Independent Auditor's Report

To the Diocesan Council

Report on the audit of the financial report

Opinion

We have audited the financial report of Anglican Diocese of Melbourne Cash Fund (the Fund), which comprises the statement of financial position as at 31 December 2021, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Archbishop and Registrars' declaration.

In our opinion, the accompanying financial report of the Anglican Diocese of Melbourne Cash Fund:

- a. presents fairly, in all material respects, the Fund's financial position as at 31 December 2021 and of its performance and cash flows for the year then ended in accordance with the accounting policies described in Note 1.
- b. complies with Australian Accounting Standards to the extent described in Note 1.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Fund in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – basis of accounting

We draw attention to Note 1 of the financial report, which describes the basis of accounting. The special purpose financial report has been prepared for the purpose of fulfilling the Fund's financial reporting responsibilities under the Acts of Synod. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Information other than the financial report and auditor's report thereon

Management is responsible for the other information. The other information comprises the information included in the Group's annual report for the year ended 31 December 2021, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Diocesan Council and those charged with governance for the financial report

The Diocesan Council (the Council) is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies used and described in Note 1 to the financial report are appropriate to meet the requirements of the Acts of Synod and meets the needs of the Council. This responsibility also includes such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. The Council authorise these responsibilities to the Finance Committee.

In preparing the financial report, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.
